Collecting MadVideos -- Vader Baby

Kristian Knutsen on Thursday 12/21/2006 10:12:58,

Merely days after releasing [Chad Vader Episode 5](#), the team at [Blame Society Productions](#) have released a "holiday video greeting card" as part of a promotion for YouTube. It features the submissive Sith singing one of his favorite seasonal songs.

The one-minute [wintertime welcome](#) from Vader follows below.

The short video features *Chad Vader* producer [Courtney Collins](#) singing the modern Christmas classic [Santa Baby](#). She performed the cover with her band [Arena Venus](#), a Madison-based pop-rock band that amicably ended in 2005. This particular song is the lead track on their 2004 release [Yuletide Swank](#), a lounge-y showcase of 17 Christmas favorites and rarities.

If you wish to let us know about more videos by, of, and about Madison and Madisonians, please consider adding them to the [Isthmus YouTube group](#) or [send a message](#).
